

INTERPLAN SC

DESCRIPTION

Ecofriendly surface cleaner designed for preparation, cleaning and degreasing.

This powerful solvent is a non-flammable, is not considered as VOC regarding to European directive (1999/13/EC), is biodegradable and is not toxic for aquatic organisms.

APPLICATION

INTERPLAN SC performs extremely well in preparation of **bare surfaces** such as leather, E-leather® and plastics.

We recommend to perform a preliminary compatibility test on all surfaces.

Apply the INTERPLAN SC with a cloth impregnated in product. Always working with a clean cloth to avoid contamination of the surface. After cleaning, let surface dry. Greasy residue can appear on the substrate after cleaning. This does not affect the adhesion or other paint properties as it is compatibility with HSH's coatings.

DENSITY

1.09 kg/L

9.1 lb. /gal.

PRECAUTIONS

Use Viton gloves (prolonged contact) or nitrile gloves (short contact). See SDS for further detailed information.

PACKAGING

5L

STORAGE STABILITY

In closed containers and at T=5-25°C (41-77°F): 2 years.
